

Florence Girvin and *Pentangle* Contest

Win Money for Your Poem or Short Story

Eligibility: You must have been a student of Manatee Community College between August 2007 and July 2008. No work previously submitted will be accepted. All material submitted to the *Pentangle* Humanities Magazine will automatically be considered in the Florence Girvin contest. Also, any item entered in the contest is considered a submission to the magazine. However, these two entities are independent, and winning the contest has no bearing on whether or not a piece is published.
